## WHO WE ARE...?

Established in 1992, Sunish Dye Chem is a partnership firm, specialized manufacturer of reactive dyes. Additionally, we also manufacture specialized and direct dyes to serve the needs of our customers spread out across the country. We plan to enter the basic and acid dyes market soon.

Located in Ahmedabad, Gujarat, we have a production capacity of 1000 MT per year, with highly equipped manufacturing plant and testing laboratory.

### VISION

"To be a global market leader in the dyes manufacturing industry"

Our product quality, R&D, and instant customer service helps us to progress towards or vision.

### MISSION

"To set our footprints globally, without harming the environment"

### R&D AND QUALITY POLICY

Our R&D lab is well equipped with most modern equipments and is being regularly upgraded with new systems and devices as per changing market needs.

Manufacturer and Exporter of Reactive Dyes

It is Quality rather than Quantity that matters.
